

It's on the house!

A unique 0% fees deal from our Grey Lynn Team

If your home is within our deal zone and you meet our criteria, this is your opportunity to have an expert and team working cooperatively to get you the best possible return for your property – for 0% fees for a limited time only.

The team

Our Grey Lynn team has already proved our system and our local market intelligence is effective. We've recently achieved outstanding results at 17 Ardmore Rd, Herne Bay and 39 Islington St, Ponsonby.

Ross, Brent and Jodie each have a proven track record in successful real estate sales. We have now transported the very successful and unique team model across from New Zealand's top Professionals team at Pt Chevalier, which has already achieved a 65% market share in its area. To prove our belief that we have developed the most efficient selling system, we are offering to sell a select number of homes for 0% commission.
